Dear LaVerne;
Well, you are
senior now; at least
I hope you will be; I guess
you'll be; I have
rent too sickly to quit. LaVerne, I
really have enjoyed going with
you and she never forget all our good
times; but of course there have been some
bad moments. (you know, of course. ha!) Hurry
up and get out of the hospital and come up to the
Mount Hood. (if you aren't too busy with all of the
girls, I mean) Best of luck to the cutest guy
and the nicest.

As Ever,
Kathy

La Verne's
Take life easy
because you won't get out
of it alive anyway. Take it
easy on the opposite sex and
remember you can't love them
all but it's fun trying.
Good luck to a swell
guy and the best of friends.

DEDICATION

We, the Senior Class of 1958, do hereby dedicate our Annual -- The Earthman -- to our wonderful parents. We would like to dedicate this poem to our Moms and Dads with our deepest appreciation for the guidance and advice they have given us in our growing up years.

MOTHER and DAD

In all the years I've known you both
You planned and strived for me
Thru sacrifice of everything
This token of love I'm sending to you
Just as a thought from me
To two who bear the sweetest name
And add a luster to the same
Who share my joys -- who cheers when sad
The greatest friends we've ever had
Long life to them -- for there's no other
Could take the place of Mother and Father.

The voice of parents is the voice of God's, for to their children they are heaven's lieutenants .....

Dear La Verne, been almost a year since I've heard from you. Have had quite a time. Well it's Paul's turn to be sick. Hope it's not serious. Better to stay in bed once in a while. Lots of colds around these days. Guess you've had your share of them. Sure did appreciate your letter. Come over and see us when you get a chance. Bring your knitting. Don't forget to bring a bottle of pop. Will be glad to see you. Love, Dorothy

P.S. Heard from Ruth. She's in the hospital. Poor kid. Hope she gets out soon.

Hope you have lots
of fun in your next two
years of school, but don't have
so much fun you don't get your work
done. You'll have to learn to take it
easy on the women, because all the girls
@ husband to "nag" at. So be mighty careful do
you don't get to serious. not for a few years anyway.
Let's look to you.

La Verne —

I really pity you having to put up with Mary all day. Of course I'm just kidding. Keep her busy — I don't think she has enough to do. It must be pretty nice to lay in bed all day and get waited on. You'd better stay here until your memory returns. Next time those guys from 7th. Horb come up to see you say "Hi" to them for me, okay? Don't forget now!

It's really been fun meeting you and knowing you. I hope we haven't bothered you too much!

Be good now, and if you're ever in Middleton or back in the hospital be sure to come see us.!

I'm not kidding. I'm really glad you came out so I could see you. Next time you are in Middleton be sure to bring Mary with you. Black coffee and cake will be welcome to any time you're around again soon! Don't forget who I am, will you? Bye-bye,

La Verne,

Well I must say you don't look very sick to me. But if it means you'll stay longer next time I'd read your temp. I'll see that's its good and high. Its been swell knowing you even if it was for just a short time, I enjoyed talking to you until they so conveniently called me. Do I dare ask when you plan on going swimming again. Take it easy (at) all the annuals and on all the B.E. and M.A. girls. If your ever in Middleton maybe I'll see you around.

Mary Jay Waitzke

Hey There La Verne! you sure pick the places to get lazy. I'll bet you ring that buzzer at least a dozen times in order to (spelled wrong no?) get your temperature taken. to rate such a writing from Mary. Next time I hope to see improving in your designated job.

Gordy of course
